## THE EXHIBITOR'S LAMENT

By Robert B. Martin, Jr.

It would have been Queen  
If they hadn't seen  
That hole in the petal  
The foliage unclean

The center weren't sharp  
You know how they carp  
They wouldn't have seen  
If it had been dark

The color weren't bright  
But it woulda been right  
It just looked like mud  
In the flourescent light

The stem was a bit bowed  
But they wouldn't have knowed  
If placement were better  
It wouldn't have showed

The foliage was spare  
They wouldn't have cared  
But the light from the window  
Left them looking at air

The bloom wasn't round  
No symmetry found  
But other than that  
The entry was sound

It woulda been fine  
I knew in my mind  
It would have been Queen  
If the judges were blind

## GENERAL RULES

- 1. This show is organized, staged, and judged in accordance with the rules of the American Rose Society. Sections A, N, and J comprise an alphabetical show.**
- 2. Competition is open to all rose growers regardless of residence. All rose entries must have been grown in his/her own private outdoor garden.**
- 3. Roses must be listed in one of the following publications: *Modern Roses, Official List of Approved Exhibition Names, Handbook for Selecting Roses, American Rose Magazine; ARS Website, and the Combined Rose List* .**
- 4. Both the upper and lower portions of the entry tags must be completed. The lower portion of the tag must be folded up so that the exhibitor's name does not show.**
- 5. All entries must be in place by 10:00 a.m.**
- 6. Large and mini English Boxes and heavy vases will be provided on a first-come, first-served basis. It is recommended that exhibitors supply their own heavier vases for large entries.**
- 7. Section N is for Novice Exhibitors only. A novice is described as an exhibitor who has not won a trophy or more than 3 blue ribbons or in any class or combination of classes in any previous Annual Spring Rose Show(s). It is permissible for a novice to have won more than 3 blue ribbons in the mini monthly rose shows. Novices may also exhibit in any other class, except section J. Blue ribbon winners of Novice classes 20, 22 & 23 are eligible for Queen, King, and Princess of Show from corresponding classes 1, 13 and 14.**
- 8. Wedges, provided by the exhibitor, may be used, but must not protrude above the lip of the container.**
- 9. Blooms should be cleaned of insects, fungus, and spray residue. No foreign substance is allowed.**

10. **An exhibitor may enter as many blooms in Section A and Section N as desired, providing the entries within each class are different varieties (one of each variety allowed). In section C, two entries per class are allowed.**
11. **Perpetual trophies are the property of Marin Rose Society and will be awarded to Marin Rose Society members only who have been a member at least two years. Trophies must be returned with plaques and/or bases in their original boxes by the next Annual Show. Only Blue Ribbon Winners are eligible for trophies.**
12. **Climbing Hybrid Teas, Climbing Grandifloras, and Climbing Floribundas are NOT shown in the Large Flowered Climber class. Instead, they are shown in the same class as their bush form, as though “Climbing” is not part of their name.**
13. **Old Garden Roses must be shown in the appropriate class (Class 8 or 9) depending on their year of introduction. It is not necessary to put the year of introduction on the tag; however, misplaced entries will be disqualified.**
14. **“Exhibition Form” is considered one half to three-quarters open. Blooms beyond that stage, with their stamens visible, should be shown in the fully open bloom class.**
15. **A “spray” must have at least 2 blooms, preferably more. A bloom and a bud do NOT constitute a spray.**
16. **Stem-on-stem entries are only permitted in Classes 8, 9, 10, & 11 (Old Garden Roses and Shrubs).**
17. **The Netboy Trophy for sweepstakes is awarded to the exhibitor with the most blue ribbons. In case of a tie, second place ribbons will break tie.**
